## **RSNC Info....In Case You Didn't Know**

### **BEGINNERS (RATING #1)**

Can ride in any class and earn points and experience.

### **BEGINNERS IN BEGINNER CLASS (#1 CAP ON SORTER)**

Must sort with a #2 or above as their gate person.

### **HAVING TROUBLE UNDERSTANDING THE HANDICAP/RATING SYSTEM?**

#### **CALL, EMAIL OR ASK AT THE NEXT SHOW!**

We want you to understand and enjoy this exciting sport a quick explanation is below.

### **HOW DOES THE HANDICAP WORK WITH THE RATINGS?**

A #1 and a #2 sort together-their team rating is a #3

they enter the #12 so their handicap is now 9 seconds and that will add 9 seconds to their sort time over and above the 60 seconds everyone gets!

### **WHERE DO MY POINTS GO?**

If you earn points as a #1 in any class your points will go towards your #1/beginner state and national points-same will go for the #2 rider on up.

### **WHAT HAPPENS TO YOUR POINTS WHEN YOU MOVE UP IN RATINGS?**

Your points will go with you! #1 with 5 points that gets moved up to a #2 will move to the #2 division with 5 points so you have nothing to lose when you get re-rated!

### **WHEN IT SAYS MANDATORY DRESS CODE WHAT IS REQUIREMENT?**

Dress code-button up western shirt, (short or long sleeve ok), cowboy hat or no hat (no baseball caps or visors)

### **WHAT DOES ONE PICK ONE DRAW MEAN?**

Each time you enter a class you must draw a partner one time-so if you enter for 1 picked partner you must enter for 1 draw partner-this means you will pay and ride 2 times in that class. This is a great way to meet new people and increase your partners!

### **WHAT DOES MAX 5 GOES MEAN?**

You can enter each class a maximum of 5 times (one entry must be a draw)
