When was RSNC formed?

RSNC was formally established in the spring of 2007 by horse enthusiasts who compete and participate in different equine events and who saw the potential for Ranch Sorting within the equine industry.

What is the goal of RSNC?

Our goal is to grow the sport to the largest equine sport in the nation. RSNC is helping contestants as a unified force to grow this sport, through exposure and national equine publications and media such as RFD-TV and Horse TV. We offer easy access to exciting competition for beginners, right up through the expert. 75% of all the competitors coming to RSNC events are new to horse sport competitions. It's so easy anyone who can throw a leg over a horse can have FUN and compete. Ranch Sorting allows everyone in the family to COMPETE, WIN and get the recognition and rewards that in most equine sports only the very top competitors receive.
