From the President

Dave Wolfe
RSNC President

Spring is in the air and Ranch Sorters, at least in our part of the country, have some serious cabin fever. We are all itching to get out and have some sorting fun. The great news is we have producers ready to put them on. Did you know it is only March and we have already scheduled within 20 shows of the record 269 shows that we had last year! The 2010 points race that just started in January is giving many contestants a lot of incentive to get out there and qualify for the State Championships Year End Finals that will be offered to the top producer in each state. These state finals will be big events that will bring contestants together from all over their state to celebrate the sport and ring in the New Year!

We keep pushing each one of you to introduce new contestants to our sport and it is working! We are definitely being noticed because we are one of the few equine groups that is growing in this tough economy. Our organization is sky rocketing while others are suffering. RSNC has momentum and the snow ball effect of this great growth is taking hold. We are attracting attention for some world renowned clinicians that may be willing to offer educational clinics and demonstrations at our National Finals. I look forward to bringing you more details on this in the next issue of the *Ranch Sorter*. RFD TV is taking notice and is agreeing to film our sorting clinics and event at Colorado State University this month. This is the event that last year attracted 92 brand new contestants to RSNC clinics. This will be a great celebration of our sport and I encourage anyone who can, to come celebrate with us. We will be sure to let you know when it will be aired on the Ride with Aaron Ralston. If we don't have your email send it today so we can do an email blast to everyone.

Plans are coming along great for the National Finals in Ardmore, Oklahoma. Within this magazine is the schedule of events. The big change for this year is that we will be offering a Wednesday Saturday night finals for the an opportunity to attend the full week. But be sure awards will be based on week. Stall reservations and RV reservations are now being taken so please get them in soon.

RSNC has momentum and the snowball effect of this great growth is taking hold.

change for this year is that we will night finals of the first 3 days and a last 3 days. This will give a few more that may not be able to come for to remember that National Finals points earned through out the entire

The fun activities that are planned for this year's Finals will be out of this world. We have cookouts, karaoke, house boat rides, casino trips and even a trolley ride thru town for shopping if that floats your boat. The 3rd arena will be designated as the fun arena and each day there will be fun activities like extreme trail, gymkhana events, states tug of wars, team penning and some cow catch competitions. These events will be done at your leisure while you are in between your Ranch Sorting runs. What's more, we plan to do them in age brackets so all of us young and old can play!

Masters riders, be sure to check out the Masters class. We are adding an incentive of 130 and over for the Masters of all Masters. This class will be huge! Come get in it.

To say the least this year's RSNC National Finals is scheduled to be a spectacular event that you won't want to miss. Win, lose, or draw, we guarantee you will have every chance possible to have FUN!

Last, I want to thank all of our producers who are using the new RSNC Ranch Sorting Software. Many contestants have already commented on how fast we can now get the results and points to the web site. That is because those producers don't have to worry about all the paper work after a show. They can send it automatically to our office. Once again the software has many advantages for producers and the office but a huge advantage for you as contestants is the opportunity to track \$ won on horses. We have created a RSNC Hall of Fame and starting April 1st thru the end of this year we will track all horses entered into the data base at shows and will enshrine those top horses from each state! RSNC will continue to look for ways to improve the software and services to producers and to you our valued RSNC members.

Welcome to Spring!

CHALK UP ONE MORE FOR THE AUTO DRAW!

Lisa,

Thanks for the compliment on being in the lead, I'm going to make it to a Ponca City show one of these times, the others have just been closer for me at the time. Also did you get my info for the finals for RV spots and stalls? I'm very much in favor of the draw pot I have won money at several shows from draws actually I'm not interested in going to a show that doesn't have a draw, it's hard to get rides if you go by yourself.

Take care and stay warm.

Jim

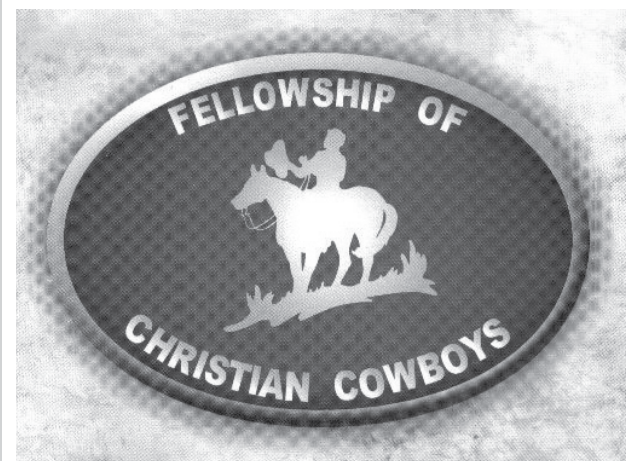

Dear Dave,
I have been sorting for many years at RSNC events as well as other ranch sorting shows. I just wanted to let you know that I am very impressed with the software program that your organization has created for your producers. At this last show that I was at things ran so much smoother and faster. They had the automatic draw and in the past I have accidentally been left out of the draw due to the secretary missing my name. Your program automatically puts this in and that saves the confusion of if everyone got in the draw or not. Something else that was really nice was that they had the draw posted

on the fence. I could look to see what number my teams were which was nice as my daughter and I share the same horse. We knew who needed to be on the horse next. I had a printed receipt handed to me for my records. Usually when we are trying to pay out everyone else is trying to pay out at the same time so it is hard to pay attention to see if the figures the secretary tells you are correct. I was able to see exactly what I rode in and the amount I owed or won. You guys are doing a great job with this and I just wanted to let you know that I think it is a great program.

Sincerely, Susan

WOW! DO WE HAVE SOME FUN THINGS PLANNED FOR YOU AT THE 2010 RSNC NATIONAL FINALS!

Of course Ranch Sorting is always fun and we are going to be doing a lot of it, but we have some other really cool, fun things planned for those that have a minute and are still ready for some more fun in the evenings. Here is a list of some of the things that will be going on. To start off with, you don't think that we would go without having the wonderful weenie roast and s'mores one night do you? Didn't think so. We are also going to have

music in the evenings. Have you ever heard Mickey Plemons play and sing? It's to die for. He is an RSNC Sorter that has a secret talent. He can sing and play the guitar and banjo. We will have the PA system going and he invites anyone and everyone to join him in singing and playing your instrument right along with him. What better way to enjoy a relaxing evening than sitting around a campfire singing songs, sipping on your

favorite *drink of choice*, and whispering sweet nothings in someone's ear? So, you all heard it, bring along your instruments so that you can show off your talent or lack thereof. We are going to have THE RSNC grill ready and hot for anyone and everyone wanting to cook a hamburger, steak, or hobo dish. If it can be cooked on the grill, put it on. We also have the largest Casino in Oklahoma close by to go to, a city tour with

a stop at a unique restaurant, the Producers Banquet and "Two Frogs" restaurant and bar is sponsoring an RSNC night at their

establishment. FUN FUN FUN. There is going to be a hot band playing so get ready to get that blood pumping and have a grand ole' time.

Now remember, this facility has three adjoining arenas. If it rains you can go from arena to arena and never get wet. Isn't that cool? Well, in arena 3 there will be lots happening! Barrel Racing, Pole Bending, Flags, Penning, Extreme Trail, Cow Obstacle Course, Clinics by World Class Clinicians and MUCH MORE FUN FUN FUN! You won't want to miss these clinics. This is just a quick reference page to some of the activities that we will have planned for all of you while at the 2010 RSNC National Finals. We will have a schedule for these fun and exciting things going on coming soon so you will know when and where to be to not miss out on any of the excitement.

ONE FREE NIGHT STAY ON RSNC

RSNC is paying so everyone needs to join in. We are going to have one drawing per day at the National Finals to pay for one night of your hotel bill. This is all you have to do. When checking into your hotel, grab some of their business cards. When you get to the arena there will be a box in

Everyone likes to win. And, everyone gets excited when there are prizes to win. Therefore, we are going to give out prizes on Wednesday evening and Saturday evening. Here's what is going on. We are going to have RSNC logo slips of paper in the office at the sign up table. Take some of these papers and put them in your pocket. Carry them around with you at all times. When you visit an establishment in Ardmore

We know that when we say that we are going to start the show at a certain time in the morning then we should start at that time. Your time is just as valuable as ours and we want to do everything possible to make this happen. One of the ways that will help us to stay on schedule is to close the books on the first class of the day the

the office by the sign up table. Write your name and room number (don't worry, I will keep it secret) on the back of the business card and drop it in the box. Each afternoon we will draw a card to see who the lucky winner is. Remember, this is EACH DAY! We will empty the box each night

MORE PRIZES FOR YOU!

whether it is a gas station, grocery store, clothing store, restaurant or the ever so famous, has everything you need store Wal-Mart, have that establishment stamp the back of this paper and date it. (It has to be a stamp with their name on it, any kind of stamp). Don't forget to put your name on it if you want to win a prize. There will be a box especially for this by the sign up table and drop it in the box. On Wednesday evening

to get ready for the next day's drawing so make sure that you have enough business cards to enter each day. It must be a business card from the establishment for you to win and there is only one win per family. Who will be the Lucky Ones?

during the TOP 10 finals we will draw some of these slips to give out prizes to. We will not empty this box throughout the show so just keep adding these slips to the box every day. Then on Saturday evening we will draw some more names out. Remember, the more establishments you go to, the better chance of winning you have. Ardmore is excited about us coming to town and we are excited to be there!

CLASS SIGNUP

night before. By doing this, our WONDERFUL secretaries can put the teams in, draw up the class and post it on the wall that night for all to see. Contestants will know when they are to ride the next morning and will know if they want to go to bed a little earlier that night or sleep in a little later the next morning. Remember, we do have

some members that have the same name so if you would please put your state next to your name it will help us to make sure that we have the right person entered on a team. This could create the wrong handicap for your team and we want to make sure that you have the correct amount of seconds to sort.

JIMDAVISPHOTO.COM

Guess What! Jim Davis from Okeechobee Florida is coming to the Finals! Yep, you heard me right. All of the awesome photographs that you see in our magazine from Debbie McFarland's shows in Palm City, Florida are done by Jim Davis and he is COMING TO THE FINALS! Jim has been in the photography business professionally for about 6 years and as a hobby for many years before that. He started taking pictures at equine events just by knowing MANY ranchers and going to their events. Jim is in the arena more often than not taking pictures at Roping, Ranch Rodeo, Reining and of course Ranch

Sorting events. Jim does such a great job of taking pictures and his action shots are incredible. If you want to get some great action shots just let Jim know at the finals when you are riding and I guarantee that you won't be able to decide on just a few pictures to purchase. Speaking of purchasing pictures, Jim will have all of the RSNC National Finals photographs on his website to order and he will also have a booth set up inside the Hardy Murphy Arena's main building for all contestants to view the pictures and place an order. We feel so lucky to have Jim this year. He is one of our own and it is a privilege to have him join our team.

LITHIA, FLORIDA EVENT

Snow in Florida.....you must be referring to Florida, Colorado not the tropical state of sunny Florida! A two week delay for the January Prine Ranch RSNC sorting in Lithia did not discourage the competitors or the beautiful weather. With over 110 teams, the cows were fresh and the competition challenging. Sunny skies and temperatures in the 70's reminded all of us why we live in Florida. A family friendly atmosphere, free food and drink, brought the best of Florida equestrians together.

The camaraderie of old friends and several new faces welcomed a great day and good time for everyone. We would like to thank all of the competitors who travel several hours: Debbie and Danny McFarland, Emmett Whitehurst, Courtney Hutto, Brian Street, Danna McFarland, Shelby Thomas, Nancy Skelly, Roy Black, the Jones Jason, Lorrie, and Donnie, Marcia Coker, Kelsey Stastny, Holbert Lee, Rex and Danette

Shevitski and anyone else missed. The show

wouldn't be complete without all of our locals: the producer Liz McClendon and husband Ron, Bob Cornette, Bobby Cornette, Donnie and Michelle Durrence, Linda Cirincione, Bob and Vida Dorr, and so many more. Bob Prine of Lithia exhibits such compassion for the sport he continues to compete at 83 years of age! His personal and financial commitment to RSNC and this community is exemplary of a kindred spirit.

The presence of new competitors encouraged a tough beginner class, Bob Prine finishing first with Bobby Cornette in the hole. The trophy belt buckle was presented to Dorkis Collins with help from Ron McClendon. Debbie Hunt, Lee Ann Ragano, Lyna Knight, John Bennett and Tilden Whitehurst added several great rides. Two of our beginners Bob Prine and Donnie Durrence won their third check to advance to the Rookie division. The spectators enjoyed spotting with enthusiasm to support the teams.

Fresh cows had even the open riders struggling in the finals with the cows calling this sport their own. Debbie McFarland and Emmett Whitehurst exhibited great sportsmanship to win the All Levels. The #10 class brought together riders ranked from beginner to 7 with Nancy Skelly (2) and Liz McClendon(4)

establishing how teamwork can win 2nd place. Candy Auresch, our judge discourages spotting for anyone other than beginners, but with coaching from Debbie and Liz, Nancy rode like a seasoned competitor.

The #4 class saw new competitors taking charge with Tilden Whitehurst and Kelsey Stastny winning first. Rex and Danette Shevitski, Jason Jones and Roy Black all proving tough teams are challenging.

Beverly Wilson facilitated the new RSNC computer software like she had engineered it herself and Judy kept the announcing at a peak. The success and growth of this sanctioned event is accomplished by the dedication and hard team work from all of us. We appreciate everyone who supports the show and welcome all of our new riders.

RANCH SORTING IS GROWING IN LAS VEGAS

Since the first RSNC sanctioned Ranch Sorting event in November of 2009, participants from all parts of

Nevada, California, Utah, Arizona and even Colorado have enjoyed Ranch Sorting events hosted by Gail

Powers held

at the B Bar J Equestrian Training Centre, in Las Vegas, Nevada. This is a top notch facility that has been in business for 30 years and is located just a few blocks west of the Santa Fe Hotel and Casino.

In September 2009, Gail decided to take a "gamble" and reorganized her facility to house cattle and to provide an area for Ranch Sorting practices and events. This began her search for cattle to be utilized for sorting. It was interesting to find that the only cows available were in California and would have to be trailered in, by Gail, from over 4

hours away. On November 14, 2009 Gail's goal was realized by hosting the first

The "First Sanctioned Ranch Sorting Event" held in Las Vegas, NV on November 14, 2009. Gail and Roscoe are in the center front with Mr. Dave Wolfe, President of RSNC on the far right. Everyone had a really great experience and the partnership between B Bar J and Ranch Sorting enthusiasts of Las Vegas is growing strong!

LINKED D COWHORSES EVENT

We kicked off the New Year with very cold weather for us here in the south. Enough so that some people couldn't come to the show as they had to man the ice pick to keep water troughs and buckets broken open; or to keep fuel to all their customers who had to water their crops to keep them from freezing. It was not our ideal weather! Our show started out slow with some of the traveling people not here. But it picked up speed as the day went on and we ended up with a nice turnout of our local competitors. Despite the cold weather the show had a really nice, happy atmosphere and we all had a big time.

The new members are still trickling in even with the economy in a crunch. It's nice to see all their enthusiasm for our sport. There have even been some penners and sorters from way back sneaking in for some fun! The more the merrier. With our awesome rating system in place; there is a place for everyone to sort competitively.

February was our biggest show of the season yet. The lower # classes have been really big. The show was fun to the last sorter in the beginner class. Just when you thought you knew who was going to win: Bonnie Forbes flew into the pen

and nearly made a clean sweep with 9head in the finals. This won her the buckle and a lot of high fives! Rumor has it she still hasn't taken it off!! Last month her best buddy: Lisa Longo rode her way out of the beginner class with a win and a trophy buckle. These girls are really fun to teach and watch move up the ladder.

The February show also brought another competitor to the top of her class. Nancy Skelly won everything possible at this show. She won the #6 class with Roy Thomas and the #4 class with Jason Jones. Congrats! Nancy, we're very proud of how far you've come in the sorting pen!

I guess I had better brag on Danny McFarland a little too. He won both the #14 and the All-Levels at the Feb. Show. Good Job Honey; way to keep the cash flow going! Danny won the #14 with Bob Cornett; who is no stranger to the payout window. As a matter of fact he wins as much or more than anyone in our state. The All Levels class was won by Danny and his adopted sister in law: Marcia Coker. After sitting out the last few years to have babies; Marcia is back and letting everyone know it by taking their money. Go Marcia!

I have included a photo of Kelsey Stastny and Mike Grier, as they are the leaders in our own saddle series. Kelsey is leading in the #2 Division and Mike is leading in the #3 Division. There are 4 shows left in our series and the points are pretty close! It will most likely be that way to the end.

Here at Linked D, we are working on adding a 10th show to our season so we will be eligible for the RSNC State Champs. We have scheduled it to follow our final show of the season which is May 29th. So that will be our first 2 day show. We are planning an awards/year end party for that Saturday night. Sunday will be our extra show. I'm still throwing around ideas for some fun classes that day. We have to have an all levels and a beginner class. BUT, the all levels can be anything and the beginner could maybe be just for 1's and they could rotate on 5 numbered calves. Courtney really wants to try a Round Robin sorting. I'm open to suggestions. This is for you; our competitors. So please send me your thoughts and ideas for our Sunday show!!

I hope to see lots of you at our March 6th show!! Happy Sorting, Debbie McFarland
ps. LOVE the new program!!!
