Photography

Join the fun and win big for your State, for your Team and for Yourself!

6 VINTON SADDLES

One for each member of the winning State Team in a special "one class competition"!

Here's how the competition works:

The High Point: Beginner | Rookie | Novice | Amateur | Open/Masters contestants will be invited to ride 2 times each in this \$50 per ride prize division with the other 5 winners in their State to create 6 TOP teams from each State. Those 6 TOP State teams will then ride against all the other 6 TOP State teams for an unprecedented RSNC "State Championship".

At the RSNC National Finals in the Top 6 teams from each State will ride in a special "All Levels Handicap Class Competition". The overall High Point State Team will take home one Vinton Saddle for each of the 6 team members of the winning State!

Visit the web site for complete details.

Now that's what you call FUN competition!
