## **SECTION II CLASSIFICATION**

### **2.1 RATING SYSTEM CLASSIFICATIONS**

RSNC will track sorting dollars won and sorting dollars spent on entry fees by each contestant at all RSNC sanctioned Events.

With this data, the dollars won will be divided by the dollars spent on entry fees by each contestant. That will provide every contestant with a win/loss ratio.

Example:

- a) If you win twice as much as you spend then your win/loss ratio would be 2.0
- b) If you win 1/2 of what you spend then your win/loss ratio would be a .5

Each contestant's ratio will then be placed on a bell curve ONLY with other contestants of the same rating. Based on where a contestant's win/loss ratio falls on the Bell curve will decide if he or she moves up one rating or down one rating. Only in extreme circumstances will a contestant's rating move more than one rating.

Example:

- a) The top determined percent of all #3 through #8 contestants move up 1 number. (3 to 4; 4 to 5; 5 to 6; 6 to 7; 7 to 8...)
- b) The bottom 10% of all contestants #4 through #9 will receive a letter stating that their win/loss ratio was in the bottom of their category and they have the option to move down one rating.

With the exception of the #1 Beginner and #2 Rookie, this will be done for every classification category at the end of each sorting season and at least one additional time each year. This guarantees fair and equal

treatment of every contestant. A Beginner automatically moves up when he or she wins 3 checks or \$500, whichever ever comes first, in RSNC events. A Rookie automatically moves up when he or she wins \$1,000.00 in RSNC events. Both Beginners and Rookies can be moved up regardless of their winnings if it is determined that their sorting abilities are superior to the level of competition in which they currently compete.

For those contestants that have not competed enough to have adequate data to evaluate, we will lean heavily on our producers and rating committee to assure that the ratings remain fair.

## 2.2 RATING RULES

\*\*\*Important Note - RSNC will rely heavily on its Producers to keep the ratings fair and accurate.

2.2.1 The **#1 Beginner** is defined as a #1 rated RSNC contestant who has won less than 3 average checks in RSNC events. To initially be rated a Beginner, a contestant must be a Novice rider on a Novice horse who has not won 3 checks in any sorting or other cowhorse event competition. A Beginner does not need to become a member for 3 checks the 1st year to ride in the Beginners class (Ranch Hand Sort Beginner Handicap). To ride in all other divisions, a Beginner must have a current RSNC membership. This is an introductory trial for a Beginner into the sport of Ranch Sorting. Day pass rules do not apply if the rider is a Beginner.

2.2.2 The **#2/Rookie** rating is only for those participants that have never been rated higher than a #1 in any sorting or other cowhorse event organization. Once a #2/Rookie's earnings in RSNC sanctioned events reaches \$1000 and that amount has been confirmed and recorded at the RSNC Headquarters, he/she will no longer be eligible to ride as a #2 Rookie.

2.2.3 A **Novice** is defined as a #3 or #4 rated contestant that is inconsistent in their ability to sort cattle whether it is because of their cattle reading ability, their ability to get successful partners and/or the ability of their horse. Any new member that has won over \$1000 in Ranch Sorting events will not be rated below a #3 Novice.

2.2.4 An **Amateur** is defined as a sorter that is just below or just above average in their ability to sort cattle. This is a contestant that can read cattle, is aggressive and confident and is riding an athletic cow horse. From time to time this contestant or their horse will make minor errors that prevent them from consistently sorting. Those that are considered just below average should be a #5 and just above average should be a #6.

2.2.5 An **Open Rider** is an individual that excels within the sport of Ranch Sorting. These are experienced sorters that have continued to improve and advance within the rating system or professional horseman that have recently entered the sport and their horses and sorting abilities dictate that they are superior to the Novice and Amateur contestants. These could be cutting horse and cowhorse trainers that in a very short period of time have learned how to be competitive in sorting and have advanced to the open level. There are three levels within the open division.

The **#7** is considered to good to ride as an Amateur, but either doesn't have an exceptional horse or who may have a slower reaction time than the best riders in the industry. This contestant's win/loss ratio prevents him/her from advancing.

**The #8** is a professional ranch sorter. This contestant can travel anywhere in the country and be competitive in Open Ranch Sorting Divisions but does not consistently win like the #9 contestant. .

**The #9** is reserved for the elite within the industry. They reflect the standard of excellence, which all others strive to achieve.

2.2.6 A contestant's data will be collected and carried over from one year to the next, until as determined by RSNC he or she has competed enough to warrant a data driven rating evaluation RSNC will use 9 rating classifications. All contestants regardless of age, will be assigned a rating classification. Each new member of RSNC must be given a rating classification before competing in a RSNC sanctioned event. The member is required to accurately and honestly answer all questions regarding his or her rating criteria.

2.2.7 All new members will compete on a probationary rating for their first year of competition. If for any reason it is found by RSNC that the person is inappropriately rated then RSNC will correct the rating. If that person is found to have falsified information about his or her rating then RSNC may revoke the membership of that person.

2.3 FORFEITURE OF MONEY WON- Teams whose combined ratings are higher than the division number or division cap will forfeit their winnings.

2.4 CLASSIFICATION LETTER & MEMBERSHIPS – For the 2008-2009 season, classification letters and membership status letter will be issued beginning October 15<sup>th</sup>, 2008 and good through the 2009 RSNC National Finals All new members are assigned a probationary rating for their 1<sup>st</sup> year of competition. If at any time within the first year it is determined by RSNC that the contestant is misrated, the rating will be adjusted.

2.4.1 At the end of each year all contestants' statistical data will be evaluated and ratings will be adjusted. This classification system is used to limit the margin of error in setting sorting categories. It is based on statistical data rather than opinion and it treats each member identically and fairly. Each contestant is classified or rated with a number 1 through 9 with 9 being the most advanced.

2.4.2 Your classification number is your performance rating. The sum of your classification number and your partners' classification numbers cannot exceed the number of the sorting division. This procedure closely defines the caliber of each sorting division.

2.5 National Finals Rating Committee- A rating committee will be in place to review all questionable ratings at the 2009 National Finals. It will be the committee's sole responsibility to observe and review all questionable ratings of contestants. The committee will consist of four individuals at any one time, three will vote on a rating adjustment with a unanimous vote required for a change. That change will be in effect the next division in which that contestant competes. If there is a conflict of interest by a person on the committee, that person will not vote and the fourth committee person will replace them. The committee has full authority and will be 100% supported by the association. We want members to know that fairness is our utmost priority and RSNC will not allow underrated contestants to continually compete at the wrong rating.

2.6 Rating Review Program- RSNC has instated a rating review program for any contestant that does not believe their current rating is accurate. The review requires a \$200 up front deposit. If after a minimum

of 45 entries under the new rating, the win/loss ratio shows that the contestant falls within the bottom 15% of ratios for that rating, then the contestant's rating will be lowered and the \$200 will be refunded. If the rating is not in the bottom 15%, the \$200 will be forfeited and the rating will remain.

3.1.2 Pick & Draw - The Pick & Draw division is designed to allow new contestants to the sport an opportunity to find rides and meet other contestants. All RSNC divisions have a 5 ride limit. Contestants can Pick up to 4 and Draw 1 or they can Pick less and Draw up to all 5.

#### 3.1.3 Handicap System

The RSNC handicap system for ranch sorting.

The handicap system for all Sanctioned RSNC events in ranch sorting will be as follows. Each rating below the highest possible team number in a division will receive one additional second beyond 60 seconds to sort their cattle. Then those additional seconds will be subtracted from the team's final time on the cattle sorted.

Example:

1. A #10 team in the All Levels Handicap division (#18 maximum rating) receives 8 additional seconds, ( $18-10=8$ ) giving them 68 seconds to sort. If they sort 10 head in 63 seconds their final handicap time would be 10 head in 55 seconds ( $63-8=55$ )

2. A #9 team in the #13 handicap division receives 4 additional seconds ( $13-9=4$ ) giving them 4 additional seconds to sort. If they sort 8 head in 56 seconds their final time would be 8 head in 52 seconds ( $56-4=52$ )

This system levels the playing field for all sorting contestants with a handicap based on their rating.

3.1.4 **MASTERS #10 HANDICAP-** All Contestants in the Masters Division must be 50 years of age or older at the end of the calendar year. This event is run as a #10 Handicap Division . This class will be a Pick 4 Draw 1 with a 5<sup>th</sup> ride available as an additional draw.

3.2 **ENTRIES and Number of Go's**

All RSNC divisions have a maximum four ride limit with an additional fifth ride option if it is entered as a draw. Producers have the option of requiring more Draws and less Picks and less maximum number of rides.

At all RSNC Sanctioned events the % payback will be the producers' option. All divisions will have an additional \$3 per ride per person Sanctioning Fee.

3.2.1 **Number of Go's**

First Go	2nd Go	3rd Go	Final Go
1to50			10
51-100	20		10
101-150	30		10
151-200	40		10
201-250	50		10
251-300	60	20	10
301-350	70	20	10
351-400	80	30	10
401+	90	40	10

This is for all RSNC Sanctioned divisions with the entry fee at \$35 or higher. If entry fees are less than \$35 the Producer has the option of 1 Go and Top Ten regardless of the # of teams. Please announce the # of go's before the start of the division.

3.2.2 **RUNNING ORDER -** All RSNC Sanctioned divisions are progressive (you must sort in each go round to advance). All finals at any RSNC sanctioned sorting will have their running order, determined by draw, mechanically or physically at promoter's discretion.

3.2.3 **PAYMENT OF FEES –** It is the producer's option to require cash, check or credit card. If CASH ONLY at an On-Site sorting is required, it must be advertised as such in The Ranch Sorter Publication. Checks will not be accepted from sorters that have previously written bad checks. Entry fees should be payable to the RSNC Producer.

3.2.4 **ENTERING WITH SAME PARTNERS –** Two member teams are permitted to ride together only once in each division, unless it is the result of a Draw or in the Ranch Hand classes, where they can ride together two times if they change designated sorters. Three member teams must change one rider.

3.3 **DRAW-OUT AND REPLACEMENT and EMERGENCY DRAW-OUT -**

Any team may draw-out of any event with notice prior to the start of that division with no draw out charge. If no notice is provided then entry fees are forfeited to the competition's pot. If an individual draws out, the contestants entered with him/her may draw out or replace the partner. If a team

participant's partner fails to notify RSNC or the sorting producer of a draw-out, and does not appear prior to first go-round of a competition, the participants entered with him may get a substitute partner. In no instance may a participant use another participant's entry fee. If a substitute contestant is replacing a contestant who has a doctor or vet's release or has been officially drawn out, that replacement will be required to pay entry fees, but no late fees. In no instance will the team be moved to a later draw position while the participant locates another partner. In the event of an emergency involving a competing contestant, his/her family or his/her horse, the producer may draw that team out and refund their money.

8.5.1 Ranch sorting is 1, 2 or 3 man teams sorting 10 cattle numbered 0-9 and 1 unnumbered cow for a total of 11 head A producer has the option to add 1 more unnumbered cow. A run starts with team members on opposite side of start line from cattle.

8.5.2 The judge will raise the flag when the sorting pen is ready. The judge will signal the beginning of the run by dropping the flag when the nose of the first horse crosses the start/foul line and the first number to be sorted will be announced. - The announcer will draw a number, which will determine the first cow to be sorted. The cattle will then be sorted increasing in sequence from that number.

8.5.3 The cattle must be sorted in number sequence. If any part of a cow crosses the start/foul line out of sequence a disqualification will occur. A disqualification will also occur if any part of a sorted cow re-crosses the start/foul line. Any cow not entirely across the start/foul line will not be counted. The 10th cow must be completely across the line before the blank cow starts across or the team will receive a no time.

8.5.4 To encourage camaraderie and good sportsmanship, spotting of cattle by non-team members and spectators is allowed.

8.6 *Placings* - Teams sorting in three go's will place higher than teams sorting in two go's. Teams sorting in two go's will place higher than teams sorting in one go, regardless of how many cattle were sorted. All ties will be brought back to the finals unless greater than 5 additional positions are created. All ties that are run off will be drawn for position of go. All ties can be eliminated by the use of lap timers, which is recommended.

8.7 *Lap Timers* -It is recommended that Hand Held Lap Timers are used at all RSNC sortings.

- 8.8 *Time Limit* - A 60, 75 or 90 second allotted time limit for each division will be required at producer's discretion (RSNC Recommends a 60 second clock). When a lap timer is used, 1/100 of seconds are recorded therefore, 57.17 beats 57.18 and 60.00 is a qualified time but 60.01 is not if it is a 60 second time limit.
- 8.9 *Settling Cattle* - Each new herd must be familiarized with both sides of sorting pens before the first team runs on a herd. Cattle will be settled prior to run at judge's discretion. It is the judge's responsibility to see that cattle herds are settled as long as needed.

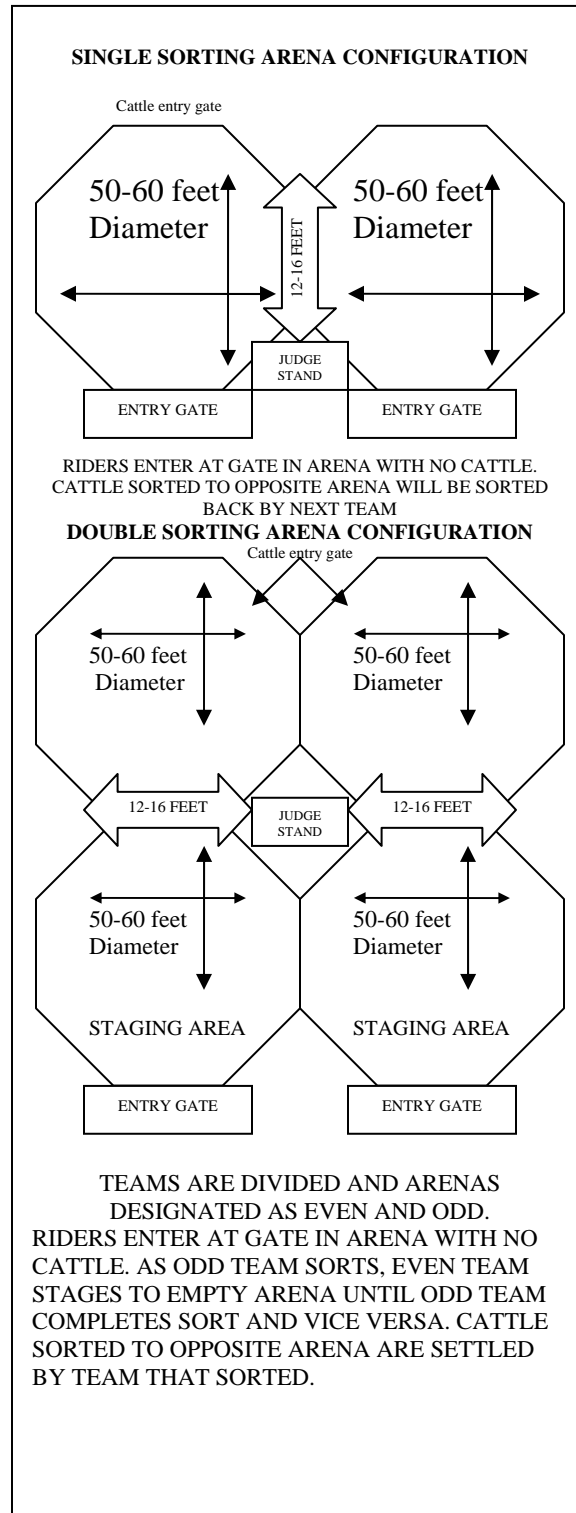

Each arena and set of cattle are different and for that reason, a producer should make a decision and advise the judge on which way the cattle should be settled to be the most fair to the contestant and the well-being of the cattle. For settling cattle, the producer has the following three options:

1. Cattle may be settled on one side every time and sorted one way.
2. Cattle may be settled on one side for the first run of each herd and then alternated to the opposite side each consecutive run.
3. Cattle may be settled on one side for the first run of each herd and then resettled on the side with the most cattle remaining.

For determining number of runs on each herd, a producer shall advise the judge and should announce before the division starts one of the following options:

1. Run 10 runs per herd and then the remaining runs that are less than ten on the final herd.
2. Divide the herds equally by the number of teams.
3. Make a decision that no herd will have more than # \_\_\_\_\_ runs due to the condition and well being of the cattle.

## 8.10 SORTING PEN DIAGRAM

The optimum sorting pen is 50'-60' diameter with corners cut at 45'.

The opening between the two sorting pens will be 12'-16'.

Two equal sized sorting pens will be used for back and forth or one-way sorting at producers discretion.

## 8.11 DUPLICATE TEAMS

Two member teams are permitted to ride together only once in each division unless it is the results of a Draw or in Ranch Hand classes, where they can ride together two times if they change the designated sorter. Three member teams are permitted to ride together only once in each division and then must change at least one rider.

## 8.12 OPEN ARENA SORTING RULES

8.12.1 At each producer's discretion, 3 man team sorting in open arena with one judge is acceptable.

8.12.2 Open arena sorting is a 3 man team sorting ten cattle numbered zero through nine and one unnumbered cow for a total of 11 head. A producer has the option to add 1 more unnumbered cow. The run starts with the 3 man team on the opposite side of the start/foul line from cattle.

8.12.3 Also See Rules 8.5.2 and 8.5.3

## 8.13 RIDE LIMIT

All RSNC divisions will be a maximum 4 ride limit with an additional 5<sup>th</sup> if it is a draw. Change one rider on each team (Producers may choose to have less Pick teams and more Draw teams).

## 8.14 TIES

All ties will be brought back to the finals unless greater than 5 additional positions are created. All ties that are run off will be drawn for position of go. All ties can be eliminated by the use of lap timers.

## **SECTION XI EVENT WORKSHEETS**

### **11.1 EXPLANATION OF HANDICAP:**

**Note: At the discretion of the producer, a class may be run on a 60, 75, or 90 second clock. According to a team's handicap, they will have time added to the initial 60, 75, or 90 seconds. RSNC recommends that a 60 second clock be used. The handicap in the Beginner divisions is based on the rating of the gate rider.**

One (1) additional second is given for every number a team's combined rating falls below the class number. For example, a #3 rider and a #5 rider have paired to ride in the #13 which will be run on a 60 second clock. Their team rating is 8 ( $3 + 5 = 8$ ); therefore, they will receive five (5) additional seconds ( $13 - 8 = 5$ ). This team will sort on a 65 second clock ( $60 + 5 = 65$ ).

After the run, those additional seconds ARE SUBTRACTED from the final time. So, if the team sorted 5 head in 63.5 seconds, they turn-in a 58.5 on 5 head ( $63.5 - 5 = 58.5$ ).

In the All-Levels Handicap, the maximum team rating is 18 (a pair of #9 riders). Therefore, a team receives one (1) second for every number their rating is below 18. This means that if a #6 rider and a #2 rider pair in the All-Levels Handicap which is being run on a 60 second clock, that team will receive 10 additional seconds ( $6 + 2 = 8$  &  $18 - 8 = 10$ ); they will sort on a 70 second clock. If the team sorts 9 head in 68 seconds, they will turn-in a 58 on 9 head ( $68 - 10 = 58$ ).

## 11.2 RECOMMENDED PAYOUT SCHEDULE

### PLACES      PERCENTAGE SPLITS

- 1      100 %
- 2      60% - 40%
- 3      50%-30%-20%
- 4      40%-30%-20%-10%
- 5      34%-27%-20%-10%-9%
- 6      32%-24%-17%-10%-9%-8%
- 7      28%-22%-17%-10%-9%-8%-6%
- 8      26%-22%-14%-10%-9%-8%-6%-5%
- 9      26%-19%-13%-10%-9%-8%-6%-5%-4%
- 10     25%-18%-13%-10%--8.5%-7%-6%-5%-4%-3.5%

### Recommended Payout Schedule

a) Suggested split of the purse: 7.5% to the Fast Go in the first go round after 50 teams, with 92.5% to the average.

- b) In the Fast Go, no places are paid for the 1<sup>st</sup> 50 teams, 2 places are paid from 51-99 teams, 3 places are paid after 100 teams.
- c) The average will pay one place for every ten teams or part thereof (see chart page 22) up to a total of five places and one more for every 50 teams after 100.

### 11.3 ENTRY FORM/GO SHEET INSTRUCTIONS

Cut apart entry form/go sheets (there are 3 entry form/go sheets per page on the original provided). Using the entry form/go sheets filled-out by the contestants, fill-in the class number, names, clock according to handicap, and run-order number (team number) before the class begins.

As each team makes a run, you will fill-in the other information accordingly (the cattle # with which the run started, the run time, and the number of cattle sorted).

As a round progresses, it is helpful to group entry form/go sheets according to the number of cattle sorted in a descending order (most sorted to least sorted). This allows the announcer to always know how many spots in the next go or how many payback positions are filled. It also allows him/her to know the “cut-off” so that information can occasionally be announced.

Number of Rounds RSNC Divisions:

First Go	2nd Go	3rd Go	Final Go
1 to 50 teams			10 teams
51 to 100 teams	20 teams		10 teams
101 to 150 teams	30 teams		10 teams
151 to 200 teams	40 teams		10 teams
201 to 250 teams	50 teams		10 teams
251 to 300 teams	60 teams	20 teams	10 teams
301 to 350 teams	70 teams	20 teams	10 teams
351 to 400 teams	80 teams	30 teams	10 teams
401 +	90 teams	40 teams	10 teams

**Note:** *This is for all RSNC sanctioned divisions with entry fees of \$35 or higher. If entry fees are less than \$35, the producer has the option of having only a first go and a top ten final go regardless of the number of teams. Please announce the number of rounds and how many teams will be brought back for each subsequent round before the start of the division.*

11.4

**PAYBACKS & ROUNDS**

USE THE **AVERAGE PAYBACK AND FAST-GO PAYBACK** WORKSHEET TO FIGURE PAYBACKS.

CLASSES WITH 50 OR MORE TEAMS WILL HAVE FAST-GO PAYBACKS (PRODUCER’S OPTION) ON TIMES TURNED-IN DURING THE **FIRST ROUND ONLY**. PAYING FAST-GOES AFFECTS THE TOTAL AVERAGE PAYBACK (SEE WORKSHEET).

**NOTE:** *The Total Money figure used to figure payback should not include the \$3 per ride RSNC fee. Entry fees are determined by each individual producer. However, RSNC encourages producers to keep entry fees fair and affordable to allow the greatest number of contestants to compete.*

The splits are based on 100% of the total payout. This means if a class’s payout is 60%, then 60% of all the money paid in entry fees will go back to the contestants as winnings. So, the amount that equals 60% of the total average pot will be split into paybacks.

**IF THE FEES FOR THE GATE RIDER AND THE SORTER ARE DIFFERENT (EXAMPLE: SORTER \$25/GATE \$10), YOU WILL NEED TO COMPLETE AN AVERAGE PAYBACK WORKSHEET FOR EACH CONTESTANT AS OPPOSED TO ONE PER TEAM.**

**AVERAGE PAYOUT SCHEDULE**

1 TO 10 TEAMS	<b>1 PAYBACK</b>	100%

# SORT FOR THE VINTON SADDLES 2009

## Official Contest Rules

**THE PURPOSE OF THE RSNC SORT FOR THE VINTON SADDLES CONTEST IS TO SERVE AS AN INCENTIVE FOR PARTICIPATION IN SANCTIONED EVENTS. IN THE '08-'09 SEASON, POINT TOTALS WILL BE KEPT FROM OCTOBER 15 TO JUNE 1, 2009. THE TOP 20 POINT EARNERS IN SIX SEPARATE CATEGORIES WILL ENTER THE NATIONAL FINALS WITH 20 POINTS TO 1 POINT RESPECTIVELY.**

1. Contestants must be a member to earn points for the saddle race.
2. The Masters' Division will be a class of its own and the points will be kept separately.
3. A contestant will represent his/her home state. Points earned at shows outside a contestant's home state will be added to his/her total in the state in which he/she resides.
4. High point contestants in each division from each state that competes in at least 5 RSNC sanctioned events will receive state high point recognition awards.
5. In addition to the Vinton saddle, the top 20 point earners from each state will be eligible for other year-end prizes. However, a contestant may only claim one year-end award.
6. In the event that a contestant's rating is changed, his/her points will be carried with him/her to the next division unless moving those points improves the contestant's standing in the points race. In this case, only the points that will put the contestant in the same standing as in the prior division will be carried over. Example: A NOVICE has 50 points and is in 4<sup>th</sup> place in the standings when she becomes an AMATEUR. The current 4<sup>th</sup> place AMATEUR has 30 points. In this case, the rider that is graduating from NOVICE to AMATEUR can only transfer 30 of her 50 points to the new division. The two riders will now be in a tie for the 4<sup>th</sup> place AMATEUR position.
7. Contestants graduating from Beginner to Rookie will be automatically qualified for the National finals with a minimum of 10 points in the Graduated Beginner division. A Beginner that graduates to a Rookie and then to a Novice will be eligible to ride in the Graduated Rookie and the Novice divisions at the 2009 Finals. Contestants graduating from Rookie to Novice will be automatically qualified for the National Finals in the Graduated Rookie division with a minimum of 10 points. All other contestants that are moved from one division to another will be automatically qualified for the Finals, with a minimum of 10 points, *in the division they graduated into*. Graduated contestants are eligible to compete for paybacks in every division for which they are qualified, but may only claim one year-end award.

**THE RSNC NATIONAL FINALS IS AN OPEN EVENT; THIS MEANS ANYONE MAY COMPETE AT THIS CONTEST AND WIN PAY-BACKS AS WELL AS OTHER PRIZES. CONTESTANTS THAT COMPETED AT 5 OR MORE RSNC EVENTS DURING THE '08-'09 SEASON ARE ELIGIBLE FOR 20% MORE IN PAYBACK THAN THOSE WHO DO NOT. HOWEVER, ONLY THE TOP 20 POINT EARNERS FROM EACH STATE ARE ELIGIBLE FOR THE SADDLE OR OTHER YEAR-END AWARDS.**
