We are excited about your interest in becoming a Cinch RSNC producer! The mission of Cinch RSNC is to offer nationwide ranch sorting competitions that cater to all levels of riders from the beginner to the professional. As a sanctioning body, Cinch RSNC maintains a database of entry fees and winnings of over 26,000 contestants across the United States. With that information, we provide contestant ratings to aide our producers in promoting their shows. Cinch RSNC continually recruits national sponsors in order to provide our producers with contestant incentives. Cinch RSNC has state, regional and national award programs for contestants to qualify for through your sanctioned events.

Cinch RSNC is dedicated to growing the sport. We are providing a complimentary membership to all new contestants and all current members who bring a new contestant to compete in an event. This will not only grow the sport but will be a huge benefit to our producers in added entries. The first step in sanctioning your show is getting dates on the Cinch RSNC calendar. In order to do this, please return the producer survey and agreement pages as soon as possible.

We understand that, as a new producer, you will have questions. The association wants to support our producers in every way possible; please feel free to contact the office at any time with questions or concerns. Additionally, we have available a sample copy of the Cinch RSNC sorting software, along with step by step instructions to help you navigate thru this excellent software program. If you would like to try out a trial version of the software, please be sure to contact the Cinch RSNC office Monday-Friday 8:30am-5:00pm (MST) at #970-897-2901 or email info@rsnc.us. We will be happy to send one to you.

We look forward to having you on board as an Cinch RSNC Producer! Once again, please contact us for any reason #970-897-2901.

Sincerely,

Dave Wolfe,

VIRTUAL SHOW TEST
Today's preparation
determines tomorrow's achievement
Unknown Author

Cinch RSNC is excited that you have chosen to be a Producer. Becoming a Producer has many responsibilities. Running a professional show is one of them, and for that reason we request that your show staff becomes proficient with the software BEFORE the date of your show.

Up to this point Cinch RSNC has confirmed....

1. Your contract with the dates of the shows you will host.
2. Emailed your Cinch RSNC software to be installed on your computer
3. Emailed you the documentation, including the Virtual Show, to support the software

To add to this list, we are requiring Producers/Show Staff to return the “RESULTS” of your Virtual Show a minimum of 2 weeks prior to your first show.

Here are your guidelines; (Call Support Staff at any time during this process)

1. Open book test, use your documentation and call if you are not clear.
2. Feel free to watch the video as you work through your Virtual Show.
3. The software is user friendly, you can go back and make changes and write down any comments you may have.
4. We want this to be an interactive “test”, so contact software support staff with questions.

This process has been put into place to assist Producers/Show Staff to be as prepared as possible for their show, so there is confidence in using the software. Getting more than one person trained (in case of unforeseen circumstances), and being properly prepared 2 weeks before a show is requested. Ultimately, we want Producers/Show Staff to be comfortable with the Cinch RSNC software so their experience is good and their contestants can benefit from their efforts.
