Option A & B Entry Fees

There are 4 prominent classes at the National Finals that offer contestants an opportunity based on a 90% payback rather than a 70% payback. In these classes every contestant has an option of choosing Option A or Option B. If you do not qualify by attending 5 shows during the 11/12 season you pay back will be based on 20% less. Opt A: Your entry fee will be \$100 and your pay back will be based on 90% of the jackpot. Opt B: Your entry fee will be \$50 and your pay back will be based on 70% of the jackpot. This gives everyone an opportunity to risk more to win more if they choose Option A.
