# LETTER FROM THE PRESIDENT

As this exciting year winds down to a close, RSNC seems to be winding up in a lot of very big ways.

The 2015 RSNC World Finals was a huge success with almost 5,000 teams competing and it kicked off a new competition year with many already setting their sights on the 2016 World Finals. Last year over 1,600 brand new members joined our association and since the June Finals we are already ahead of that pace this year. New contestants are out there just waiting for someone to invite them to our association and I challenge everyone to continue to welcome them by showing the friendly atmosphere the RSNC is so well known for.

One of the most exciting aspects of promoting RSNC is the overwhelming number of times every facility we travel to expresses their positive feelings about how much they enjoy our members. They say it is because of the family oriented, friendly atmosphere our contestants bring. To them it is obvious our contestants are having fun and are happy to share their excitement with everyone. It brings a very fresh atmosphere to the equine industry and because of that they can easily see why our sport is growing so fast. RSNC is about providing our membership an opportunity to enjoy the camaraderie of the sport without a lot of drama and distractions. If that continues to happen our association and our sport will continue to grow.

Speaking of growth, two of the largest shows known to our sport are continuing to get even bigger. Be sure to look over the results of the Big Daddy Summer Spectacular and the Congress Super Sort. Cheyenne is pushing hard on the 2,000-team mark and the Congress sorting almost hit 1,500 this year. Something has to be said for quality events at an affordable price.

Many of our producers are also seeing new growth in team counts at their events. That is partially due to the new **\$100,000 BONUS INCENTIVE CAMPAIGN** just released. With this program, our goal is to encourage contestants to support our producers at the weekend events. It is not about contestants just riding the minimum of 5 shows to qualify for the big Finals. With 5,000 teams, there is already plenty of participation at our Finals so we are rewarding contestants even more who are supporting their producers at the weekend show. In addition to the \$150,000 in prizes already given out in the State and National Points races there is now another **\$50,000 in prizes** available at the Regional Finals for all contestants in the top 10 of any state points race. If you can't make the top ten in your state you may want to travel over to a neighboring state that has only had a few shows. It doesn't matter what state you earn it in so it may be a great opportunity to support a brand new producer in a brand new state before the end of the year.

Additionally, those contestants who are true blue RSNC members and are out there all year supporting our producers now have an extra **\$50,000 in bonus incentive cash** to run for at the World Finals. All you have to do is compete at a minimum of 5 shows and on 100 total teams throughout the year from June to June. Any one who competes at 5 shows still qualify for the finals with \$400,000 in cash and prizes but those who compete on 100 teams within the year get to run for a bonus \$50,000 in cash! Your participation counts and we want to be sure you know we appreciate it. The number of times you have participated will soon be posted on the website so you can track your participation progress. There are a growing number of Sorters who have already qualified!

As many of you have already heard, we have been given the opportunity to bring a RSNC sanctioned sorting to the Houston Livestock Show and Rodeo. Combining the World's Largest Livestock Show with the World's Largest Ranch Sorting Organization will undoubtedly be a huge success and we are excited to take center stage. The challenge is upon us to set a schedule where as many contestants as possible have a chance to participate without overwhelming the facilities and time that is available. We are up for the challenge and will have a schedule out soon so all RSNC members can start planning for this awesome opportunity to participate and promote our sport in front of thousands of spectators. On behalf of the entire RSNC membership I would like to thank the Houston Livestock Show and Rodeo Committee for extending this opportunity to our competitors.

With fresh new programs we are excited to announce that RSNC is going to have a fresh new look as well. Before the end of the year you will see a brand new RSNC website. We believe it is time to upgrade and bring you not only a new look but also many new features that will improve the navigation and ease of information access. With that said, we will also be going completely digital with The Ranch Sorter. Starting in January, the magazine will be available in a page-by-page turning format on our website for all members to easily access. The website is our best source of communication with each of you and we want to be sure you have easy access to the latest exciting news coming from events all across the country and the RSNC HQ office. It should be here just in time for Christmas so Merry Christmas from the RSNC camp to each and every RSNC member. May God bless you and your family throughout the holiday and in the upcoming year.

Sincerely,

A handwritten signature in black ink that reads "Dave Wolfe".

## BEHIND THE SCENES

# RSNC BRAZIL

A look at the first two shows for RSNC Brazil including Santa Rita do Passa Quatro held at Estancia Tamareira and the second at the J7 Ranch in São Paulo. With an outstanding kick-off, RSNC is excited to see what the future will bring for Sorting in Brazil.

# J7 RANCH

RSNC Brazil held its first event on August 8, 2015 in the town of Santa Rita do Passa Quatro in the state of São Paulo, at Estancia Tamareira. With new formats, including a handicap, contestants were thrilled and the competition proceeded positively. With differences in Brazilian culture several new divisions were created including; Family, Female, Junior and Masters. Cinch shirts and RSNC Brazil caps were awarded to the winners as well as trophies and prize money. The event saw a total of 195 entries. The second RSNC Brazil show was held at the J7 Ranch in Guaiúra in state of São Paulo. The event was in conjunction with the Guaiúra's Rodeo so there were plenty of spectators. There were many divisions including the #14, #12, #10, #8, Female, Master, Family, Junior and #9 Ranch Hand. This event saw many new contestants, especially Beginners competing with more experienced riders. There were 100 teams at the J7 Ranch Sorting. The next RSNC Brazil show will be at Doma Ranch, at Taquaritinga in the state of São Paulo on November 28.

# RSNC ANNOUNCES \$100,000.00

## BONUS QUALIFICATION PROGRAM FOR STATE, REGIONAL, AND WORLD FINALS

This is in addition to over \$150,000 in prizes given away in the State and National Points Races. Here are 100,000 more reasons to chase those RSNC POINTS!

**\$50,000.00**  
**IN BONUS PRIZE LINE**

**For State Qualifiers at Regional Finals**

**Qualification:** Top 10 point earners in the prior year State Points Race (ending at State Finals or Dec 31st) qualify for Regional Prize Line in 4 rating categories (#1Beg & #2 Rookie), (#3Novice), (#4,5,6 Amateur), (#7,8,9 Open)

**1ST: 20 TODD JEYS TROPHY SADDLES**

**2ND: 20 SHOT GUNS**

**3RD: 20 PAIR OF JUSTIN BOOTS**

\*Top ten state points race contestants can compete at any Regional but can not win more than one of each prize.

\*Those that did not finish the year in the Top 10 in any state race can compete at any Regional Finals but are not eligible for the Bonus Prize Line.

Top 10 contestants in each rating category enter with 20 to 2 points respectively and add those points to the points they earn at the Regional Finals to determine the winners.

**\$50,000.00**  
**BONUS CASH**

**For World Finals Bonus Cash Qualifiers**

**Qualification:** Compete at 5 shows or more and on a minimum of 100 teams during the year. Qualify for an additional bonus of \$2000 to \$5000 cash in every class.\*

\*The division of the \$50,000 will be based on the % of total teams that each class had at the 2015 World Finals.

\*Beginners and first year members are exempt from qualification requirement.

\*To give contestants the opportunity to attain 100 teams all sanctioned shows will now be required to have a minimum of 5 classes.

**\*Money will be paid as a bonus incentive to the top 3 places in every class with at least one qualifying member on the team. 100% goes to one qualifying team member. 50% each to two qualifying team members.**

# THE BIG DADDY KEEPS GETTING BIGGER

CHEYENNE, WY • JULY 23-26, 2015

PHOTOS BY OLIE'S IMAGES

The 2015 Big Daddy Summer Spectacular just hit an all-time record for team count with an astounding 1,736 teams. This was the 17th annual event that has been hosted by Wolfe Productions every year since its inception in 1998.

The event is known as the best possible summer get away for Ranch Sorters from all across the country. It is always held the last week of July during the Cheyenne Frontier Days Rodeo where the top PRCA cowboys and cowgirls from around the globe show up to qualify for the WNFR. Without question, this brings an added level of esteem and excitement to the entire town making it a happening place to be for everything western. There are cattle drives, rodeos, parades, tons of vendors and lots of nightlife to participate in. If you add all of that, plus cooler temperatures than any where in the South, you have a built-in attraction for the Ranch Sorting crowd.

As always, the Wolfe family knows how to host a great production so teams are moved through with out a lot of delays. Classes are run in 3 sorting pens all at once so there is never a chance to get bored or wish it would go faster. They have been doing this now for 17 years and it is obvious they have learned how to produce a top-notch event.

"Cheyenne was our very first attempt at a national level event and I remember way back in 1997 when we hosted the first Big Daddy Summer Spectacular with 1,200 teams," said RSNC President Dave Wolfe. "We were totally exhausted and it took us a week to recover from what we thought was a massively unbelievable turn-out. Now, we look at Cheyenne as our party out the back door with Cheyenne just 35 miles north of our home. It is so much easier than traveling across the country to put on the big shows. We enjoy producing the Big Daddy and the great friends that return each and every year."

Congratulations to all of the winners from this year's Big Daddy Summer Spectacular!

## SUPER FUN IN SPRINGFIELD

**O**ctober is a beautiful time of year just about anywhere you go in the United States, but it is especially pretty in Ohio. The trees are every color of the rainbow and they could not have been prettier when we landed in Columbus to host the Congress Super Sort! An amazing 1,467 teams showed up for a great show.

A big RSNC staff of seven arrived on Wednesday the 14th and went directly to the Quarter Horse Congress headquarters to get the medallions the Congress provides for the event. We were welcomed by the Congress committee and congratulated on our continued growth of the sport and especially the interest and growth of the Congress Super Sort. They said it is still their hope to bring the RSNC event into their schedule of events at the Congress itself. This year they added a brand-new 1,000-stall barn and it will be a big step in housing more horses for events in the future.

In the meantime, we are happy to have the event at the Champions Center in Springfield, which is just 30 miles down the road. Many contestants check their horses in and run over to the Congress to take in all of the events and great shopping that is available. In fact, we saw several brand new trucks back at our sorting that were purchased from the Congress show. They sure looked awesome!

Thursday morning started off great with the whole crew jumping in to set up the office and all of the panels for the cattle pens and the arena. We were finished up with that by early afternoon. Then came the fine details like sponsor banners, clocks and timers. By about 4 pm that was all in place and just in time for trailers to start rolling in.

And boy was that an understatement. Once they started it seemed like it was a convoy coming at us from all directions. We had contestants from a total of 14 states attend and they were from the North, South, East and West. Nebraska, Texas, Georgia, South Carolina, Virginia, New York, and Michigan, just to name a few. Obviously Ohio is a great central location for many contestants in the Eastern half of the United States to travel to.

Friday there were over 300 teams competing on fresh cattle. Saturday we started the day with the lower number division on some of the softer cattle and it worked well. Many of the beginners and rookies had success in getting great times and award winning runs. Then on Saturday afternoon we rotated in a whole new set of fresh cattle to start the number 14 ranch hand and finish the day with the number 6 classes. The number 6 class went later than we had hoped so we are already working on a new improved schedule for next year that will add another sorting arena so we can move that finish time forward.

Sunday they just kept entering and we had another full day of competition. Certainly, the three Todd Jeys saddles were a big part of that. The points races were close in all three divisions and contestants were riding hard for the big win. Congratulations to Anita Cook, Bill Womack and Connor Keith for winning their respective divisions and the trophy saddles. Below are all of the other class winners. We would like to thank the RSNC membership from the Eastern US for their great support and a fun and exciting event.

# TULSA STATE FAIR

## Tulsa, Okla., October 10-11, 2015

Wow, 885 teams from nine states! Thank you Oklahoma, Missouri, Colorado, Wyoming, Illinois, Tennessee, Texas, Arkansas and Kansas for making this a successful FUN show! Ed and I had considered retiring as RSNC producers after this state fair show—only because it was getting to be too much for us to handle. Well, when the show was over we got to thinking about how many wonderful friends we have made through RSNC and how much RSNC has done for us. So with Zac and Vanessa making the decision to come in as our partners, we have reconsidered and decided to have two spring shows and the Tulsa State Fair show next year. With your continued support and the support of our sponsors Sapulpa Equine Hospital, Kubota, American Heritage Bank, Tulsa Stock Yards and Mid America Feeds we hope to continue having successful RSNC shows. Thanks to Owanna, Donnie, Rowdy and Jimmy for running the show, Vanessa on the gate and the McAfee's, Kevin Speer, Jeff Pulliam and, of course, Zac for all the cattle work. We will see you in the Spring.

We Sort for FUN—Seriously!

## IMPORTANT RATING GUIDELINES

It is important to the success of this association to assure there is a place for new novice riders to be competitive within our sport. The #1 Beginner and #2 Rookie rating must continue to be introductory levels. The definitions of the #1, #2 and #3 ratings are being printed for all contestants to review so it is clearly understood that if you are successful at the #1 or #2 rating you will automatically be moved. This is the only way for new contestants, who were just like you when you started, to have a fair introduction to the sport.

### THE #1 BEGINNER

This rating is only for those participants who are novice riders on novice horses and who have never won 3 checks or over \$500 in any sorting or other cow horse competition. Once you win 3 average checks or \$500 (excluding youth checks) you will automatically be moved to a number 2. This is only an introductory level and is probationary meaning if you or your horse's skill dictates it you may be moved at any time.

### THE #2 ROOKIE

The #2 Rookie rating is only for those participants that have never been rated higher than a #2 in any sorting or other cow horse organization. To start at a #2 rating this rider must be a novice rider on a novice horse who has never won over a \$1,000 in any sorting or other cow horse competition. Once a #2 Rookie's earnings in RSNC sanctioned events reaches \$1,000 (youth classes excluded) and that amount has been confirmed and recorded at the RSNC Headquarters, he/she will no longer be eligible to ride as a #2 Rookie unless their win/loss ratio is below a .60 in the #11 and below divisions. Then they will remain a #2 until they earn another \$500, at which time they will be reevaluated for the .60 cut off, and if not above that ratio again at every \$500 interval. They will remain a #2 until they surpass the .60 win/loss ratio at which time they will automatically move up to a #3 Novice. This is a probationary rating meaning if you or your horse's skills dictate it you may be moved at any time. If you have success please expect to move beyond the Rookie rating.

### THE #3 NOVICE

A #3 Novice is defined as a #3 rated contestant that is inconsistent in their ability to sort cattle whether it is because of their cattle reading ability, their ability to get successful partners and/or the ability of their horse. Any new member that has won over \$1,000 in Ranch Sorting or other cowhorse competition in any and all associations combined will not initially be rated below a #3 Novice. Additionally, the #3 rating will be reviewed by win/loss ratios in #11 and below divisions every 6 months (after the National Finals and State Finals). If a #2 has been moved to a #3 they will have the opportunity to move back to a #2 after re-evaluation at every 6-month interval. If they have attended enough events to fairly evaluate them and their win/loss ratio is below a .25 as a #3 they will have the option to move back to a #2.

# OKLAHOMA STATE FAIR

Oklahoma City, Okla. • Sept. 18-20, 2015

This marked the seventh year for the Oklahoma State Fair RSNC Sorting. An awesome 783 teams, made up of friends from seven states, gathered for one heck of a show.

The talented 8-year-old, Bleu Hall, finished second in the Rookie Sort with Larry Newport. They bested 84 teams and Hall sorted her first 10-header to win her reserve champion spot. It was exciting for all of us to enjoy that with her. The reserve prize chairs were sponsored by Dr. DeRoy White DVM, Sapulpa Equine Hospital.

Mike Welling and Joanne Coleman of Texas made their mark on the Oklahoma State Fair, too—winning and placing in several divisions. Thank you to everyone who came out to enjoy the Oklahoma Fair!

See You All on the Trail!

# RSNC AUSTRALIA

## RSNC launches a new partnership with ABCRA to promote Ranch Sorting in Australia.

RSNC President Dave Wolfe and two of his sons, Logan and Kason, recently traveled to Australia to launch RSNC Australia. The new organization will be a completely separate LLC from RSNC USA, however it will serve as a partner in growing the sport worldwide.

The Wolfe family hosted a clinic and competition in Dubbo and also in Tamworth over their 10-day stay. As seen in these photos it was definitely not all work and no play. They had a great time and enjoyed the Australian hospitality tremendously. The participants were eager to learn more about the sport and were very enthusiastic about wanting to start competing at sanctioned RSNC AU events.

During the week the Wolfe boys got to tour the country and see many new and exciting things—like Kangaroos and Panda bears up close. They toured one of the largest sale barns in the country—reporting that the completely automated, exceptional facility was first class and second to none. Seeing some of the massive Outback also made a big impression on them with hundreds of miles of open country.

Pictured are contestants, producers, and winners along with some of the fun things that they did. Many of the Australian contestants are planning a trip to the US RSNC World Finals in Forth Worth, Texas, next June. Please watch for opportunities in the future to make a trip to Australia to tour and compete with the RSNC AU members. If you ask Dave, Logan and Kason, it was a great experience and definitely worth doing again.

## ALL SUPPORT IS **NOT** CREATED EQUAL

There are 32 ligaments and tendons in the lower equine leg. For years polo wraps and splint boots have been used in an effort to protect horses against impact in this region, however, they offer your horse very little support.

Utilizing our revolutionary Double Sling Strap® system, the Iconoclast® Equine Support Boots are specifically designed to provide true 360-degree support to your horse's lower limb. Iconoclast® Boots are endorsed and prescribed by leading equine veterinarians around the world to protect against and even rehabilitate injuries caused from hyperextension.

# Those With No Flies Know Real Fly Predators® Really Work!

*"...with Fly Predators, along with the education and support from Spalding Labs, we're no longer inundated with flies as we were before. We've used other products, yet nothing has been as effective as Fly Predators. It's well worth the investment!"*

—Richard Winters Ojai, CA National Reined Cow Horse Champion  
Road To The Horse Winner [www.wintersranch.com](http://www.wintersranch.com)

If flies drive you and your horses crazy, depend on our expertise for the real deal in fly relief. For 36 years we've helped hundreds of thousands of horse owners control flies the safe and easy way.

## Four Steps To Fly Free

We recommend a simple four step plan that really fixes the problem, rather than just chase them away temporarily. For most folks just adding Fly Predators® is all that's needed, but if you have flies coming from neighbors, adding traps and Bye Bye Odor to handle those "visitors" completes the program.

### 1. Identify The Fly

Determine what kinds of flies are bugging you and if they are coming from your animals or the neighbors. Different flies come from different places and require different strategies to eliminate. Our "Guide to Fly Control" makes this easy. It's in your first shipment and online or simply call and speak to our knowledgeable reps.

### 2. Stop Future Flies

Stop flies from reproducing by cleaning up the areas where they breed (manure/spoiled vegetation) and adding Fly Predators.

Many people just go after adult flies buzzing around but that's only about 15% of the population at any time. If you don't stop the future ones you'll be plagued all summer.

Fly Predators kill flies before they emerge. You simply sprinkle Fly Predators near all manure areas every three to four weeks during warm months. It just takes a few minutes and you've done your fly control for the month.

Horses	Fly Predators per Month	Cost Delivered
1-5	5,000	\$ 18.95
6-10	10,000	\$ 28.95
11-15	15,000	\$ 38.95
16-20	20,000	\$ 48.95
21-25	25,000	\$ 58.95
26-49	\$2.00/head/mo. + ship.	
Above 50 head...call for quote.		

### 3. Get Adult Flies

If needed, add traps to get adult flies. Most horse owners will need three different trap types as no one trap catches every fly. We offer the most

effective traps, proven by USDA tests, and the best how to use info.

### 4. Don't Invite More

Flies have a tremendous sense of smell. If you ever wondered why there are more in your barn than elsewhere, it's likely BO, barn odor. Use Bye Bye Odor to eliminate harmful ammonia and barn odor. Let the flies find someone else's stinky barn instead.

## Call or Order Online Today

Schedule your optimum pay-as-you-go shipments now. For best results, start before you have flies. Use Fly Predators for one summer and if you are like most of our customers, you'll use them as long as you have your animals.

## FREE Dr. Robert M. Miller Book

With your first Fly Predator or Bye Bye Odor shipment, if you request it, we'll include at no charge, a special and complete edition of Dr. Miller's groundbreaking book, "Understanding The Ancient Secrets of The Horse's Mind."
